

IMPROVE YOUR LIFE'S SOUNDTRACK

Beautiful high quality sound is a passion, and if great music is something you love, we want to help you to improve on those old speakers, and update the sound system that brings your life so much pleasure.

We have a ton of absolutely great speakers to choose from - great choices for every taste and budget. From Electrostatics, (Martin Logan) to incredible Audiophile monitors (Totem), Bipolar (Definitive Technology) to front firing (PSB), and many with new and exotic materials (Paradigm) too! We even offer fantastic sounding architectural and outdoor options (SpeakerCraft). We really have something for everyone - who loves great sound.

There are a bunch of cool new ways of finding and accessing music we can show you too. Getting all the music in the world has never been so easy, simple - or affordable!

So drop by for a look, and listen to the new stereo system you need today - you will be happy you did.

Purchase a cool Sonos PLAY:3 compact speaker system from us this month and receive a Sonos Bridge & 90-days of Deezer music service, **FREE!** That means you get to start your wireless music revolution for only \$329.00, and **save almost 20%!**

With over **25 million tracks** on Deezer, you're sure to find more music than you could ever dream of. Follow your **favourite artists**, create your **playlists** and listen to new music all day long.

There's nothing like relaxing with family and friends around the BBQ while enjoying your favorite music playing on great outdoor speakers.

We have **Outdoor Speakers on Sale Now**. On wall, in soffit and even in ground options will help to make your summer entertaining even more enjoyable!
